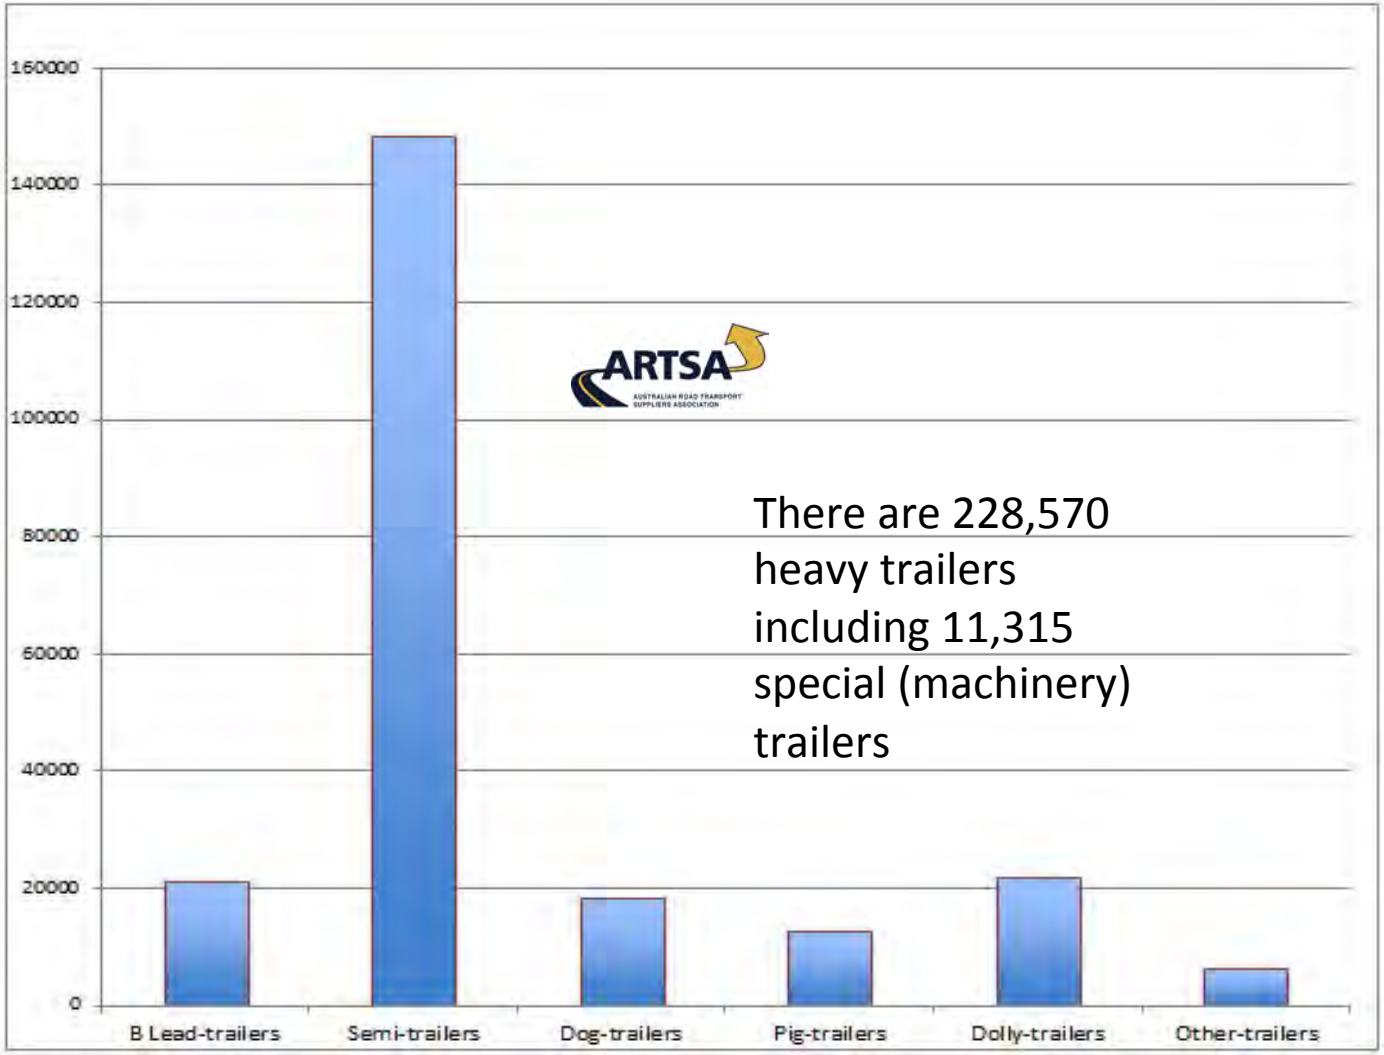
The Trailer Fleet (ATM > 12t)



There are 228,570 heavy trailers including 11,315 special (machinery) trailers

Age Profile of the Trailer Fleet

Age Profile of the Trailer Fleet

Note:
'Median Age' is quoted.
For 'Median Age' there are as many vehicles older as are younger.
This is a more relevant measure of age than the 'Average' (which is greatly affected by small numbers of very old vehicles).
