

# Data Analysis

## ARTSA Data Day Latest Trends & Predictions

8.30am – 4pm, Tuesday 4th September 2018  
Lifesaving Victoria, 200 the Boulevard, Port Melbourne

This is the third annual ARTSA Data Day covering the latest data on medium and heavy duty vehicles, and the analysis of this information.

The day will be interactive and will cover:

### State of the market

Latest registration figures, total park of equipment

### Continent of origin trends

What the historical data tells us

### Truck and trailer manufacturers panel

What are the market trends

### Joining the dots

Combining different sources

New data sources

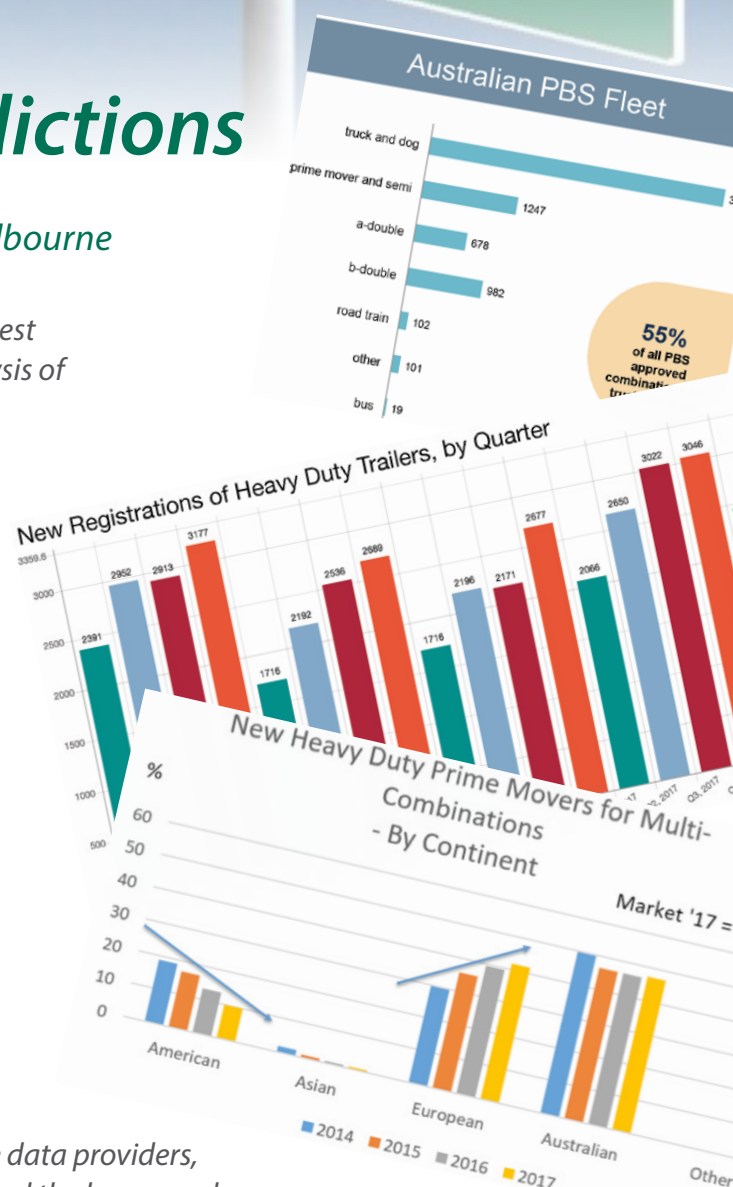

### Predicting the future including PBS data

Last years forecasts and new predictions

With a range of presenters from ARTSA, industry and the data providers, this is an interactive day for those who need to understand the heavy and medium vehicle market.

Registration for the Conference can be done on-line at
